

The truth that God is "Three-in-One" also shows us that there is a "Community of Love" within the Godhead. God is a "Family", so to speak; a Father and a Son bound together by an Eternal Love which is a Third Person, the Holy Spirit.

The doctrine of the Trinity helps us to understand how God gives us a share in His own Divine Life. The Father sent the Son, Who became flesh, Jesus took on our human nature. Jesus loved His Father so much that He wanted God the Father to be loved by us, and He wanted us to be loved by His Father. So Jesus allowed Himself to be crucified a horrible death so that His pure sinless blood would be shed on a cross so that we can become His brothers and sisters, and sons and daughters of God.

Once we confess that Jesus Christ is our Savior, the Holy Spirit, becomes present in our souls. The Spirit causes us to proclaim that Jesus is Lord (I Corinthians 12:3)

"... God sent forth His Son, born of a woman, born under the law, to redeem those who were under the law, that we might receive the adoption as sons. And because you are sons, God has sent forth the Spirit of His Son into your hearts, crying out, "Abba Father". Therefore you are no longer a slave but a son, and if a son, then an heir of God through Christ. . . . (Galatians 4:4b-7).
